(transport may be arranged  
on request)

*All volunteers have up to date  
police check clearance*

Want to see a movie but find it too difficult because of your baby's needs?

Want to get out and enjoy some company with other women with babies like yourself?

Want to have a chat but are worried about the noise your baby may make?

Then why not come along and give the Mums and Bubs Movie Group a go.

We guarantee a baby friendly environment where you won't need to be concerned at all about the noise your baby makes or about your need to attend to feeding, changing nappies and so on.

We start at 9:30 am but you can come when it suits you. A tea or coffee will be awaiting you on your arrival. The movie starts at 10:00 am. Feel free to share about movies you are keen to watch.

There will be time to stay and chat if you wish and you are welcome to bring your own lunch and spend more time chatting about the movie or other topics.

If there is sufficient interest topics such as child-rearing and other important issues for mothers and their babies can be addressed by the club through the use of suitable movies and resources.

Everything is free and there is even free Ice-Cream for mums and their toddlers.
