

Have you ever heard the saying -

“It takes a village to bring up a child”

GIRLS – SISTERS – AUNTS – WOMEN – MOTHERS – DAUGHTERS

Ever wished.....

.... you had a mum to lean on

.... a daughter to share with

.... a sister to cry with

..... the wisdom of a grandma

..... a girlfriend to trust

There is nothing quite like ‘Girl time’...Every month we all meet, chat, laugh, cook, dance, tell jokes, share and experience – all girls together.

Let's bring back the village and support each other!

COME AND SHARE A MEAL. All you need to do is bring something - a carrot, apple, cheese, a tin of something.... or if there's nothing in the cupboard – donate a gold coin and we will pool all the food and create a meal together.

Bring your girlfriends, your sisters, your mums and your grandmas....together we can make dinner and share a meal.....plenty for everyone.
